

Declaration of Conformity

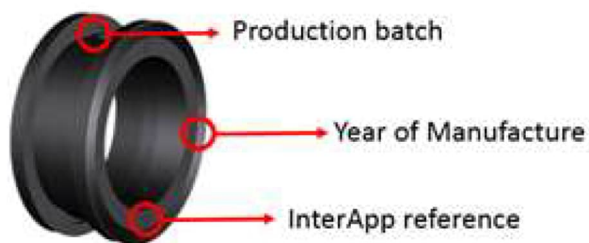

For the materials and articles which may come into contact with food when used as intended, **InterApp Valcom, S.A.** confirms the conformity with the general requirements of

Regulation (EC) No 1935/2004 of 27 October 2004 on materials and articles intended to come into contact with food.

This applies to **Desponia and Desponia Plus** valves with the following materials for the liners in contact with food:

Materials and articles in contact with food	Material designation	Material Reference	InterApp Reference	Group of materials and articles	Remarks
LINER	WHITE FOOD EPDM	EPDM-014	EF	ELASTOMERS	BFR XXI Category 4 & FDA 21 CFR 177.2600 and 182.8991
LINER	BLUE FOOD EPDM	EPDM-002	EM	ELASTOMERS	BFR XXI Category 4 & FDA 21 CFR 177.2600 and 182.8991
LINER	FLUOCAST AB/T	FLUOCAST AB/T	FT	ELASTOMERS	BFR XXI Category 4 & FDA 21 CFR 177.2600 and 182.8991
LINER	FLUOCAST AB/W	FLUOCAST AB/WHITE	FW	ELASTOMERS	BFR XXI Category 4 & FDA 21 CFR 177.2600 and 182.8991

MARKING OF LINER:

Member of AVK Group

The raw materials used comply with the intended list of permitted ingredients according to positive list to **BFR XXI Category 4 and BFR XV** (BFR: Bundesinstitut für Risikobewertung). The compounds also meet the norm **FDA 21 CFR 177.2600**

The **traceability according to EN 1935/2004** is ensured by the marking of the Material reference on the liner and the production date.

All valves are manufactured according to good manufacturing practices.

Regardless of these indications, the technical data and conditions of use as described in the InterApp documentation has to be observed to ensure the safe operation of the product in each individual application. Components part not explicitly mentioned above do not necessarily comply with the EN 1935/2004

Declaration of Compliance

Cauchos Castilla Reference: EPDM-014 (White EPDM) (EF)

Used in manufacture rubber joints, intended to come into contact with food, complies with the general requirement of **Regulation (EC) N° 1935/2004**.

The raw materials used comply with the intended list of permitted ingredients according positive list to **BFR XXI Category 4** (BFR: Bundesinstitut für Risikobewertung).

The traceability according to **Regulation (EC) N° 1935/2004** of the product is ensured by the material and date markers.

This compound complies with norm **FDA 21 CFR 177.2600**.

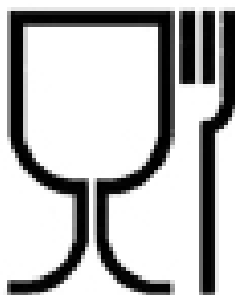

All rubber joints manufactured with this compound have been made according to **Regulation (EC) N° 2023/2006** (Good Manufacturing Practices).
